MISSIONARIES TO
DAR ES SALAAM
TANZANIA

Here is a recent update from them: "I hope you are doing well. We are doing well. We are continuing to see God at work in both the Grace Mission Internship for young guys and Sifa Threads for young ladies.

We just had a graduation ceremony for 4 of the guys that just went through the program. It was a very encouraging time together as we invited past interns to come to the graduation and we were able to see and hear how God was using them in different areas of ministry all over Tanzania. It was a great time of celebration. Also with Sifa Threads they just conducted training with 8 groups of Tanzanian women that want to start Sifa Centers in their homes, churches, and businesses. The leadership were very encouraged at the end of the week as they heard each group's proposal for their specific Sifa Center. Please continue to pray for our work permit situation which would allow us to stay in Tanzania. It has been a challenging time of waiting but we feel like God is opening doors for us to stay and continue doing ministry in Tanzania.
